You have the message, I have the voice

ABOUT ME

I'm your trusted next door neighbor, an old friend, a confidant, a wacky goofball or even a sarcastic villain. Are you are looking for a bright energetic vibe for your project or maybe you want a warm conversational feel? I'm your guy. Maybe, you need a commander, overlord, stuffed teddy bear, east coast mafia hitman or crazy king for an animation or video game. I'm your guy.
